Merry Christmas

Dec 25th

Christmas
is the celebration
of the savior
Jesus Christ's birth.

To celebrate this holiday parents and family members give and receive gifts on the day before (Christmas Eve) Christmas. Although there are many ways to celebrate this holiday, some favorites include playing games such as Secret Santa, taking pictures with Santa Claus, as well as watching Christmas classic movies.

There are no dietary restrictions during this holiday but some families enjoy some special eggnog!
