

The Birth Of Báb

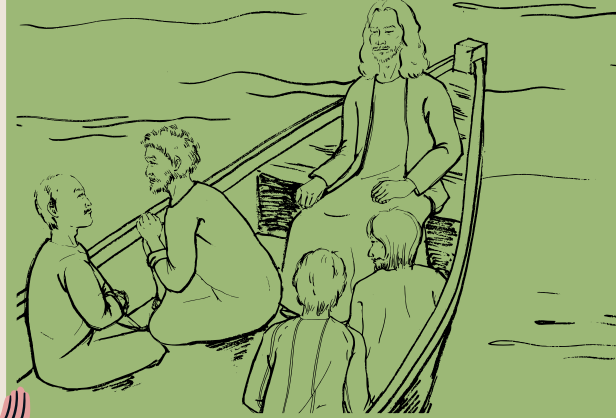

Siyyid Ali-Muhamad otherwise known as Báb ("The Gate") is a symbolic gate that linked the past ages & a new age of fulfilment for humanity.

Báb whom is referred as "he whom God shall make manifest," purpose is to divinely educate people of a new period in human history that had begun in spiritual & material prosperity.

As declared by Báb; it's his own mission declaring to herald the coming of his promised manifestations of God whom we know to be Baha'u'llah!
