2024-2025 **Independent**- TASFA Verification Worksheet

According to state rules, your Texas Application for State Financial Aid (TASFA) is subject for review in a process called Verification. In this process, we will be comparing information from your Texas Application for State Financial Aid (TASFA) with copies of your (and your spouse's) 2022 tax return transcripts and/or other financial documents. The law states you must complete this process before state financial aid may be paid. If discrepancies are found in the review, our office may request additional documentation.

It is recommended that applicants complete and submit this application and all required documents prior to the state priority deadline date of **April 15, 2024.**
