New Business

System Staff Council Meeting: System-wide. EEO classification may be going away. Moving to a departmental representative model. Another system school is moving to that model, and we may be able to use them as a best practice.

Executive Committee Updates: Meet with the president once a month. Updates and knowledge transferring. From minutes: Question on Chartwells during Summer and their Summer hours. Liesl said they may talk about that with the new Kitchen Manager... But they (Chartwells) said they didn't have the staffing.

HR Update-Martha Gonzalez. Not present.
