DIVISION OF STUDENT AFFAIRS | 2019 – IMPACT REPORT

WELCOME FROM THE VICE PRESIDENT

Dear Colleagues and Jaguar Family,

I hope you enjoy this glimpse into the incredibly successful and engaging year within the Division of Student Affairs! As we continue along the path of becoming the national model of student engagement and success, our dedicated staff is committed to creating compelling events that support student learning, student success, citizenship and leadership for our student body.

The 2018-2019 academic year had many “firsts” for our campus – such as the resounding student support of the Athletics referendum, the creation of the Henry G. Cisneros Leadership Institute, the launch of Tau Sigma Kappa honor society for our transfer students and the launch of our campus’ 10 Year anniversary. Keeping student success and engagement at the forefront of all we do, our student affairs professionals continued their personal and professional development in-house through the Women @ Work Speaker Series and Workshops, Franklin Covey Higher Education trainings, and interactive CliftonStrengths activities. Attending and presenting at regional and national conferences our staff stay apprised of best practices in their field and spearhead dynamic initiatives in support of the division’s overall goals.

The Division of Student Affairs takes pride in creating a welcoming and inclusive campus community. The commitment and support received from the many campus and community partnerships is invaluable to us. Thank you for investing your time and dedicating your resources to our Jaguar family.

Jaguar Pride,

Dr. Melissa K. Mahan
Vice President for Student Affairs
